Grimsby, Ontario

The People of Grimsby and District:

Your attention at this time is called to our own home project the West Lincoln Memorial Hospital.

Our Hospital has already established a reputation for good service, nursing care, equipment with which to work, and about 700 people have received treatment in the various departments of Surgery, Obstetrics, X-ray Treatment, Medicine, etc.

The period of getting started presented many problems. Our estimate for working capital was too low. Costs have risen. All of which add up to our being short of funds.

In order to clear our indebtedness and finish the job before the end of the year, a general canvass for funds will be conducted beginning November 8th.

For 1947 and forward it is expected to have maintenance sponsored by the six municipalities served.

Again thanking you, and soliciting your further support.

Yours very truly,

A. R. Gobe,

Chairman Hospital Board.

An open letter to the people of Grimsby and District appearing in this issue is not unexpected by many citizens after reading the daily papers of Toronto, Hamilton St. Catharines, in regard to the Hospital problems faced by our neighbors.

A recent press report from Hamilton should be of interest to our readers, wherein it was pointed out, that in 1945 the number of patients from outside the city was 3600 or about one sixth the entire number admitted to the hospital

which meant a net loss of 67,000, and as a remedy rates for patients outside the city will be increased considerable more than for the citizens of Hamilton.

Our people of this district served by West Lincoln Memorial Hospital have been fortunate in having tackled the problem of hospitalization some four years ago, and today we have an institution to care for the larger portion of our needs.

Outstanding Surgeons and Specialists state they are very pleased to attend at The West Lincoln

where the equipment and after-care is such as to give good results. So that we are now able to obtain the best of treatment close to home, thus saving time and the expense of travel.

From a Public Utility point of view we have our water and Hydro Electric Commission, all functioning in a very efficient manner and with the hospital services being brought into closer relations to the municipalities we have a very efficient and economical service in operation.

In contrast with our neighbors, who have major problems to face in the field of hospitalization our task to clean up the Hospital job is not great and one good push will do it.

In the forthcoming drive, fifty canvassers will begin their work on November 8th, much in the same manner as in previous Red Cross drives. This is a big job and the public can all help materially by being ready so as to avoid undue delay and call backs.

DISCUSSING LENO COVERING

County Council Passes Resolution Asking That Ban On Covering Be Lifted By Federal Department Of Agriculture — Want Contents Of All Spray Materials Printed On Package.

At the conclusion of its October sessions Thursday afternoon, the Lincoln County Council, in a resolution which was passed unanimously, condemned the Federal Department of Agriculture for its ban during the past summer on the use of leno coverings for fruit baskets.

The resolution, presented by Reeve Cecil Secord of Grantham Township, 1945 Warden of Lincoln County, called the government's action a "shame and a disgraceful

County Town Sets New Heat Records

Mercury Registered 88 Degrees On October 6th—Rainfall Was 4.35 Inches—Should Be Glad Of It All.

(St. Catharines Standard)
A new record for October weather was set on Oct. 6th when the mercury registered 88 degrees, three points above the previous high for the month which had been set in 1919, and equalled in 1922 and 1938.

The balance of the month was also exceptionally warm, with a few exceptions the mercury hovered in the 70 and 80 brackets during the daylight hours.

The low for the month was 30 degrees, set on the 20th, which was degrees, set on the 20th, which was nine points above the record for the month of 21 registered in 1925. The rainfall for the 31 days was above average, 4.35 inches falling during the month.

MOGG CLAIMS TOBACCO CAN BE GROWN IN WEST WENTWORTH

Ex-Reeve Of Grimsby Now Assessment Supervisor Of Neighboring County Says That Land In Certain Sections Is Ideal For Producing The Weed.

There are nearly 40,000 acres of land in Wentworth County suitable for tobacco growing, H. G. Mogg, county assessment supervisor, said Saturday, and much of it is in the price bracket which he feels should make tobacco growing a profitable venture in the Hamilton area.

The land is scattered throughout the townships of East Flamboro, Ancaster and Beverly, and falls into the soil categories of "fox sandy loam" and "fox fine sandy loam," a sandy, acid soil which predominates in Norfolk and other tobacco-growing counties.

"There is none of this soil east of Hamilton," Mr. Mogg said, referring to a soil map, "but there are about 39,000 acres to the north and west."

Reasons that Wentworth had not been exploited as tobacco country he believed, were that growers did not know that such soil existed in many parts of the county, and the farmers in many instances themselves did not realize the possibilities of their soil. Another factor was that growers usually sought to plant tobacco as close as possible to the Delhi plant.

J. K. Perrett, secretary of the Flue Cured Tobacco Marketing Association of Ontario whose office is in Simcoe, states that much of the land referred to would be too high-priced to make tobacco a profitable crop — in East Flamboro.

Provincial Department Of Agriculture Allowed Use Of Red Netting This Year To Avoid Loss Of What Was Already In Stock — Peach Inspection Stepped Up.

TORONTO, Nov. 1—Continued use of red netting to cover baskets of peaches sold within Ontario—despite a federal ban on such covers for interprovincial shipments—was permitted this season by the Provincial Department of Agriculture largely to avoid waste of quantities of netting already in stock, a department spokesman said today.

He was commenting on a report from St. Catharines that Lincoln county council had criticized the federal department for its move and expressed appreciation to the provincial department on its stand.

The Dominion ban was placed on the netting several months ago to prevent green peaches being disguised by the red netting to appear ripe, it was understood. The provincial spokesman said such a precaution did not appear necessary in Ontario, where inspection of peaches had been increased.

Grimsby Boy Is Shooting Champ

SQMS Lloyd Phipps Holds Army Record With 329 Bulls And An Inner In 330 Shots.

(Toronto Telegram)

SQMS L. W. Phipps, of 614 Bloor St., Toronto, is out of the army, but he leaves a record of marksmanship which will be hard to beat. He served in both the First and Second Great Wars, and in between he served with the Lincoln and Welland Regiment, and all the time kept up his shooting.

The ability of SQMS Phipps came to light recently when The Telegram saw a letter written to him by the District Ordnance Officer in Toronto, in which the officer wrote of a recent scoring bee by Phipps, who scored 329 points out of a possible 330 on the 25-yard indoor range during the period Feb. 1 to July 27, 1946.

With ten points awarded for a bull, this means that he scored 329 bulls and an inner, and the inner, he says, cut the edge of the bull. The records were carefully checked by the army authorities, and in his letter the District Ordnance Officer says that "from information available there is no person

J. G. S. STANBURY CELEBRATES TEN YEARS AS COUNTY JUDGE

Judge J. G. S. Stanbury who has served as Judge for Lincoln County for the past ten years.—Cut courtesy St. Catharines Standard.

Came To Lincoln In Fall Of 1936 — While At University Was Considered Cleverest Member Of The Debating Class — Practised Law At Exeter For 37 Years — Strong Believer In Family Life.

"I am a strong advocate of a university course for all boys, if possible, and I feel that the benefits gained from such a course have been illustrated in my own life," said Judge J. G. S. Stanbury, looking back last Wednesday upon ten years as county judge for Lincoln and 37 years as a practising lawyer prior to his appointment here. Just ten years ago last Wednesday, Oct. 30th, Judge Stanbury was sworn in as judge for Lincoln, his appointment having been announced Sept. 23, 1936, by Acting Prime Minister Ernest Lapointe.

A member of the University of Toronto graduating class of 1896, which last June celebrated its fiftieth reunion at Hart House, Judge Stanbury recalled the advantages he felt stemmed from a university

Remembrance Day Services Sunday

Crack St. Catharines Pipe Band Will Lead Veterans Parade To Plot Of Remembrance In Queen's Lawn.

All war veterans of any war that they have participated in, either with the Canadian, British or American forces, are asked to turn out on Sunday for the annual parade, decoration of graves and Remembrance Day Services in the Roky theatre.

As usual the services and parade will be under the auspices of West Lincoln Branch 127, Canadian Legion and the ladies of Lincoln Loyalist Chapter, I.O.D.E.

The parade of veterans, Boy Scouts, Girl Guides and other organizations will form up at The Independent office at 245 sharp on Sunday afternoon and will march off right on the stroke of three.

Headed by the St. Catharines Pipe band, 20 strong, the parade will march to Queen's Lawn cemetery. Upon entering the cemetery

BUY A POPPY AND WEAR IT PROUDLY

"Flower Of Remembrance" Will Be On Sale In Grimsby On Saturday — Canadian Legion Use Funds To Help Less Fortunate Comrades And Their Families.

We would like to draw your attention today to a subject every man, woman and child is vitally connected with, and that is the Legion's annual Poppy Day. Every year the Canadian Legion holds a sale of poppies and wreaths a few days before November 11th which is, as you all know, our sacred Day of Remembrance. This year the sale of poppies will take place on November 9th.

From time to time we hear people remarking, "Just where is all that money going that we pay out for our poppies?" It is a natural question, but the Legion believes in doing its good work in a quiet and unobtrusive manner. To advertise the individual cases benefited by it would cause pain and embarrassment in some instances. However you, the public, are entitled to know in what manner the funds are disposed of and this explanation will, I hope, serve to enlighten you somewhat.

The appeal for funds is not made on behalf of the Legion or its members, but on behalf of all ex-service men who are in need. The collection and administration of the Poppy Fund has been entrusted to the Canadian Legion. This, however, does not mean that the Poppy Fund is part of the funds of the Legion. It is kept entirely separate

St. Catharines Is Building Up Fast

Second Best Municipality In Lincoln Continues To Show Remarkable Growth In Building Permits.

The increased building trend throughout the country is illustrated by the building permit figures released Friday morning showing a total of 19 permits issued in St. Catharines during the past month for a total \$155,300.

Figures for the past ten month period show a decided increase over the same period last year, the total jumping from \$844,183, in 1945 to \$1,835,495 for the past ten months of this year.

Included in the 19 permits of October are 16 dwellings at \$91,300, and a \$50,000 garage on Lloyd St. The figure for October shows an increase over that of last year when the total was \$53,865.

This Was a Great Day For Citizens

It was a balmy Sunday morning in September, 1908, when this pile-up of cars on a fast manifest Grand Trunk time to keep the great majority of citizens from attending worship. It did more than that, it caused a lot of them to become petty thieves for the day. This wreck occurred between the Paton street bridge and the bridge, now torn down, on St. Andrew's Avenue, at the rear of the Public school grounds. Among the cars that were wrecked was a carload of wholesale fruit merchants of Toronto. That created a regular watermelon feast for the citizenry, but as an old Grimsby Co. he made no claim for the melons and everything was by Larkin and Co. of Buffalo to points in Michigan and Minnesota for a whole host of our "honest" citizens. All day long they had lugged furniture of every description away from the wreck. A week later, under the watchful eyes of railroad detectives they lugged it all back again. It was either that or go to jail. Fortunately none of them chose the latter course. The for over sixty years resided in the little home at the end of Doran avenue on the north side of the street, now owned by Mrs. Annie Tufford.

MOGG CLAIMS

boro - but land values of \$100 to \$150 an acre would make it worthy of consideration from an economic standpoint.

East Flamboro property on the north side of the Bay was valued as high as \$1,000 an acre with subdivision and speculative values, but in other good tobacco soil areas, land is assessed a low as \$25 or \$50 which should make it an attractive prospect.

Mr. Mogg said he regarded land in the neighborhood of Lynden, Weir, Summit and Copetown as suitable for tobacco growing. In Windham Township, Norfolk, and other tobacco areas, the yield on the average is 1,200 pounds of tobacco per acre, with the minimum average price for the crop being 35.33 cents per pound.

Mr. Mogg admitted that considerable capital was necessary to start tobacco growing - green house, a water tank and kilns, etc. - but he thought it could be made a profitable undertaking in those parts of Wentworth with the proper type of soil.

JUDGE STANBURY

course. He felt that university life was valuable not purely from the academic standpoint but for the extra-curricular activities and the personal friendships which result.

"One of the great benefits of university is not obtaining a B.A. or other degree, but the forming of friendships if one takes part in extra-curricular activities," he says.

While at university, Judge Stanbury followed out that principle to the full. Born in Bayfield, the son of a doctor, he had gone to public school there before attending high school in Clinton, Ont., and at Jarvis school in Clinton, Ont., and Jarlity he took a course in political economy and moderns and then entered Osgoode Hall for his law studies.

Debating was one of his chief interests at college, and indeed, debating owes much to him for he was one of the prime movers in the establishment of the Intercollegiate Debating Union which has been functioning ever since. He had the distinction of being selected, along with Prime Minister Mackenzie King who was one year ahead of him at college, to represent the University of Toronto in an intercollegiate debate. Judge Stanbury can't quite recall just who they debated against that time, but he does remember teaming with Rev. C. G. Patterson, now of California, to debate successfully against McGill.

A tribute to Judge Stanbury's position in university life is seen in his election as president of the Literary and Scientific Society, which in those days was the student governing body for the entire university.

Friendships formed at university have meant much to him through life, he says. "Out of the personal connections established grew friendships with such future prominent men as the leading men of both main political parties and many others in business and professional life," he recalled.

After graduating from Osgoode Hall, he started to practice law in Exeter, remaining there for 37 years and taking an active part in community life. He served on the board of education for eight years. Long prominent in Liberal election campaigns he was elected president of the Federal Liberal Association in that district.

During his stay in Exeter, he developed his deep interest in horticulture, an avocation which he has followed right up to the present. For 16 years he was secretary-treasurer of the Exeter Horticultural Society. His specialty was gladioli, he recalls, and one year his entries won seven prizes at the Canadian National Exhibition. For four consecutive years he won both the professional and amateur awards for gladioli at the London Western Fair.

"I finally gave up gladioli for roses," he smiled, and pointed to the beautiful pink roses on his lapel. From early spring to late fall, the judge never appears without a dewy-fresh rose in his buttonhole.

Made a K.C. in December, 1935, Judge Stanbury was appointed county judge for Lincoln County the following autumn. The town of Exeter arranged a surprise reception for him one evening, and he recalls with a laugh that one of his most important cases was on that day and didn't conclude until late at night. The reception went off as scheduled, except that the principal guest wasn't there!

One of his first public appearances in the county, other than in court was at The Village Inn, early in December, attending the Warden's dinner, ex-Reeve John E. Lawson of North Grimsby being the Warden that year.

Judge Stanbury was also appointed juvenile judge for the city and county when he entered upon

his new duties here, and he considers that one of the most vital phases of his work. Though the past ten years he has applied vigor and understanding to the task, and he feels that the handling of juvenile delinquency cases here has been "a great success."

He had little sympathy with the existing methods of dealing with juvenile crime, largely because he had seen the fine results obtained by Judge John R. Holt of Toronto who applied kindness and trust to the task of handling youngsters who had run afoul of the law. Shortly after coming to St. Catharines, he called a citizen's meeting to organize the Big Brother movement in which juvenile delinquents, instead of being packed off to reform school where they probably developed further criminal traits, were placed in charge of citizens who vouched for them and held themselves responsible for their future good behaviour.

"I have no faith in the reform school method of correcting juvenile delinquency," the judge declared. "I give the Big Brother movement credit for the small number of cases of juvenile delinquency in St. Catharines. We have been most successful in handling it in this manner."

Results prove Judge Stanbury's contention. In 1933, the year after he started the program, 131 cases of juvenile delinquency came before him. This has been steadily reduced until 1945 when there were only about 30 such cases.

"One proof of the wisdom of handling juvenile delinquency in this way is the fact that out of all those placed in the sponsorship of a Big Brother, only four have become repeaters," he said. "Only as a last resort, or in the case of confirmed repeaters, do we commit them to reform school."

His interest in preventing juvenile crime has strengthened Judge Stanbury's life-long interest in sports. "All youngsters are bubbling over with energy and life," he declares. "This energy must have an outlet. It must be channelled into the proper course. Sports are one of the best outlets for surplus energies."

Lacrosse and hockey are his favorite sports, and he is a familiar figure in the stands whenever the home team is playing here. Judge Stanbury has always placed

great stress on maintaining the dignity of the courts and administering justice in a proper atmosphere of decorum. However, for some years he has been an advocate of a measure to streamline the proceedings of justice and to save the county a sizeable amount of money each year - the abolition of the grand jury.

The grand jury was originally intended as a safeguard for the citizen charged with an offence, for it decides whether an indictment is a "true bill" or a "no bill," and whether the charge is fair and should be proceeded with. Nowadays, however, the judge feels that the police magistrate and the crown attorney each act as a check or safeguard to see that no unfairness is worked upon the accused.

"Under our system of an independent magistrate and an independent-minded crown attorney who can be safely trusted to see that the accused is not unfairly treated, it would be quite in order to abolish the grand jury and it would be a great saving to the county," Judge Stanbury stated.

The remaining function of the grand jury is to inspect and report upon all public buildings in the county administration, and the judge feels that this duty could easily be delegated to a committee of the petit jury chosen at the opening of court.

A firm believer in a strong, Christian family life, Judge Stanbury looks with pride upon his five sons and three daughters, all of whom except one son at Collegiate, are grown up and away from home now.

He is a Presbyterian in religion, is a member of the Rotary Club, the Masons, the Oddfellows and the Foresters and was active in the St. Catharines Horticultural Society before its operations lapsed during the war.

HILTS — CURRIE

The marriage of Beulah Currie and Lorne Hilt, son of Mr. Gordon Hilt, 63 Main St. East, Grimsby, was solemnized in the Little Church of the West at the Hotel Las Vegas, Las Vegas, Nevada, Saturday, October 26. The Reverend Walter Bishop of the First Baptist Church spoke the vows at high noon. Mrs. Serena Burch and James Higginbotham served as matron of honor and best man.

The bride wore a spice brown dressmaker with deep brown and winter white accessories. Her bridal corsage as of yellow roses. The matron of honor was in a silver gray suit with black accessories and wore a corsage of gardenias.

After a short honeymoon Mr. and Mrs. Hilt will be at home at 129 South Seventh St., Las Vegas, Nevada.

Celebrate Their Gold Wedding

Mr. and Mrs. Joseph Falby, of Grimsby Beach, celebrated their 50th wedding anniversary quietly at their home Monday. Many friends and relatives of the popular couple called on them during the day. Mrs. Lila Shaver, Mr. Falby's sister, of Columbia, S. C., who was the bridesmaid 50 years ago, was present.

Mr. and Mrs. Falby were married in 1896 in Douglas, Renfrew County, by the Rev. Alex. Craw, and the Rev. J. C. Campbell. They have three sons: Bolton, of Larder Lake, Fred, of Parent, Que., and Kenneth, of Toronto, and eight grandchildren.

Mr. and Mrs. Falby lived at North Bay, at Grant (250 miles west of Cochrane), and in Beamsville, before moving to Grimsby Beach.

A family dinner in celebration of the occasion was held on Sunday.

Eastern Star

The regular meeting of Grimsby Chapter, No. 195, Order of the Eastern Star, was held in the Chapter Room, Masonic Hall, on Tuesday evening.

In the absence of the Worthy Matron and Worthy Patron the meeting was conducted by Mrs. Geo. Dousett, A.M., assisted by Mr. L. Hysert, A.P.

The annual reports of the various conveners were read and proved very gratifying.

A social hour followed with Mrs. F. H. Anderson and her committee serving refreshments.

Baptist Y.P.U.

A fine representative group of the young people and young adults gathered in the School Hall and enjoyed a bountiful repast prepared by Ladies Aid of the church.

After the supper a brief devotional exercise was conducted by Mr. McLean who then stated the purpose of the gathering which was to council together as the most effective way to organize the young life of the church for successful work.

Miss K. Ossichuk, president of last year's B.Y.P.U. then introduced the speakers of the evening. Miss E. Fisher and Mrs. Arnold both of Hamilton. Miss Fisher's address dealt with the general principles of young people's work as outlined by the Baptist Board of Religious Education and explained the different types of work for young people that the Board sponsored. The young people's or B.Y.P.U. for those of the approximate ages of 15 to 25 years and the young adult work for those beyond these ages. She clearly presented the value and necessity of both classes of activity and gave three different ways in which the B.Y.P.U. might emerge into the B.Y.A.U. (The Baptist Young Adult Union). They were first by having a senior group of the B.Y.P.U. who would work together with the younger members for a year with the thought of eventually forming a Young Adult Group. The second was to form from the younger society a Young Married Couples Group to be composed of young married couples only and where the offices would be filled each not by one person but by a married couple. The third was to form a Young Adult Group with no marital stipulations made.

Mrs. Arnold was a member of one of the latter groups which had been in existence for six years and which although formed under protest had proven a great success and had grown consistently and steadily itself it had resulted in the rather small and somewhat discouraged younger group taking on new life and enthusiasm so that after six years each of the groups are considerably larger than the original mixed group.

The animated discussion which followed these addresses showed that the feeling of all present was that two groups should be formed, a B.Y.P.U. Baptist Young People's Union and a Bap. Young Adult

Union and a strong committee representative of both interested groups was formed, with instructions to consider the matter very carefully and report with recommendations as quickly as possible. The personnel of the committee is The Misses K. Ossichuk, Bernice Byford, Betty Konkle and Messrs. F. Branscombe, E. Hope and M. Pielt.

Baptist Choir Sponsors Concert

The choir of the local Baptist Church who are sponsors for the very fine Anniversary Concert to be held on Tuesday evening, November 26th, are to be congratulated on having been able to secure such fine artists as the Hymmen Sisters, of Kitchener for this occasion.

These artists are giving unusual satisfaction in other cities and towns according to press notices which follow each entertainment. The Grimsby Mercury says the following of an evening given recently in that city. "Music lovers of Grimsby enjoyed a rare treat at the First Baptist Church on Thursday evening. The Hymmen Sisters of Kitchener, versatile and very charming artists presented a recital of piano, organ, violin, bells and vocal selections. Each individual number deserves special mention, but outstanding was the piano duet and organ. "William Tell" was the highlight number of the evening.

The talent and gracious manner of these sisters is remarkable. Their versatility is shown on organ, violin, piano and bells and in their accompaniments. Their technique is effortless and flawless. Especially beautiful was the instrumental trio. "The Bells of St. Mary's" on piano, violin and bells with vocal accompaniment, but each number was outstanding and displayed the rare and versatile talent of the sisters."

Oh, for the days when a man did not have any trouble buying shirts.

Women's Institute

An enjoyable card party and dance was held by the Women's Institute in Masonic Hall on Hall Institute in the convenship of Mrs. L. Larsen and her committee. Winners were Euchre: Ladies' High, Mrs. J. Dunham; Low, Mrs. H. Fred Reiss; Men's high, Mr. H. Harvey; Low, Mr. F. Davis. Bridge High, Mrs. A. Swayze; Low, Mrs. L. Larsen. Door prize was won by Mrs. S. Murphy.

The dance proved very popular with the young people, many coming in costume, and all thoroughly enjoyed themselves. The proceeds are to go to West Lincoln Memorial Hospital.

Many a woman is interested in compiling family history back to the time she runs across the first member who was jailed.

Baptist L.A.

The Ladies' Aid of the Baptist Church, met at the home of Mrs. Tomlin, Elm St., Thursday afternoon. Final arrangements were made for the Church Fair, Nov. 28th, and conveners of various booths reported very favourably on progress of work.

Nominating committee for election of officers in December, was appointed as follows: Mrs. L. J. Pettit, Mrs. Burgess, Mrs. Simpson, Miss Eva Cline presided.

Grassie News

(Mrs. Clifford Walker, Staff Correspondent)

Rev. J. J. Herchkowitz gave a very interesting talk at the Grassie Church Wednesday evening. His topic was "I was in Dachau." It was a story taken from a Nazi Concentration Camp to Christianity. Mr. Gerald Pettit was the Soloist and song leader.

Mr. and Mrs. Hilberg spent Sunday with friends in Hamilton.

We are very pleased to report that Mrs. Roy Milne will return home this week, after being in the hospital for a month.

Yank In London

"A Yank In London," 20th Century-Fox's new romantic hit release, starring Anna Neagle, Rex Harrison, Dean Jagger and Robert Morley, shows at the Romy Theatre the last two days of this week.

Set against the background of a wartime London in which millions of G.I.'s were first thrown into contact with "strange" English customs—and with English girls—the exciting film tells the story of one G.I. who brought a Yank's kind of love to an English WAAF.

Hallowe'en Parade Prize Winners

An exceptionally large number entered the annual Hallowe'en parade, Thursday night. A. A. Constable was chairman of the merchants' committee sponsoring it and Dr. D. R. Copeland and Robert Bourne in charge of the judges. Mr. and Mrs. D. O. Aude, Mr. and Mrs. F. R. Branscombe, Miss A. J. Adams and James Braid.

Prize winners were: Howard Gilroy, Susan Hayes, Bobby Henley, Beverly Hand, Joan Dick, Geraldine Henley, Patsy Robertson, Tom Little, Tom Symonds, Bobby Bourne, Wilfred Transberry, Frank Francis, Bobby Metcalfe, Gerald Terryberry, Bobby Hillier, Lois Morningstar, Frances Mather, Kay James, Sonya Culp, Barbara Shaw, Dorothy Pyndyk, Ralph Metcalfe, William Fisher, W. Hill, Valerie Tufford, Ann Braid, Mary Phillips, Betty Braid and Bruce Thompson.

A special prize was given in the national costume class to Sandra, Lynda and Timothy Rogers, of Hamilton, who were dressed as Arabs.

Would Reorganize Grimsby C. of C.

At a get-together meeting of merchants, manufacturers and fruit growers held on Tuesday evening it was decided to make an attempt to reorganize the Grimsby Chamber of Commerce.

A meeting for that purpose will be held in Trinity Hall, on Friday evening, November 22nd, at eight o'clock for that purpose. Every citizen of the district is urged to attend at this meeting and freely express his or her views on the subject.

There is no doubt that Grimsby needs a Chamber of Commerce or an organized body of some kind to further the best interests of the town and township.

If a sufficient number of citizens show enough keen interest at this meeting then the project will be gone on with, but the whole matter lies in the hands of the people generally.

Township Taxes Due Next Month

Tax Collector Victor W. Thompson is now busily engaged making up the North Grimsby tax rolls and it will not be long until ratepayers will be receiving the dreaded notices.

This year the township County Rate is 14.5 mills; township rate 11 mills; general school rate 3.2 mills.

Trustee rates in the various school sections are as follows: No. 1, 1.4 mill; No. 2, 2.6 mills; No. 3, 4.5 mills; No. 4, 7 mills; No. 5, 7 mills; No. 6, 7 mills; No. 7, 6.5 mills; No. 8, 7 mills; No. 13, 7 mills; Grimsby Beach lights 3 mills.

The general tax rate has been reduced one mill by reason of the Provincial Subsidy to Municipalities.

Taxes are payable on receipt of notice and may be paid directly or by mail to the collector. The Canadian Bank of Commerce, Grimsby, Ont., will receive taxes between December 1st and 15th, 1946, after which date all taxes must be paid to the collector at his residence, Main St. West.

All cheques must be payable at par in Grimsby or exchange added. After December 15th to December 31st, 1946, one per cent penalty. After January 1st, 1947, one-half of one per cent each month.

The Assessment Act provides that where taxes remain unpaid for 14 days after date of demand or notice given, the collector may levy the same with costs by distress.

A discount of four per cent. per annum will be allowed on prepayments of 1947 taxes.

Lions Club

At the dinner meeting of the Lions Club on Tuesday evening Rev. Bernard A. O'Donnell was the speaker of the evening and gave a very fine and instructive talk on the island of Jamaica.

Lions District Deputy Governor George Smith, of Port Colborne will be the guest speaker at the next meeting of the Club on Tuesday evening, November 19th. His subject will be "Irish Wit".

Next Director's meeting will be held at the Village Inn, Tuesday night, November 26th at eight o'clock.

Vinemount News

(Mrs. M. Gliddon, Staff Correspondent)

The fortnightly Euchre and Dance sponsored by the Vinemount Women's Institute was held Thursday evening, October 31st. The following were prize winners: Mrs. A. Watt, Miss Jean Twedle, Mrs. Gordon Gowland, Messrs. H. Zoelner, Bruce Stewart and Gordon Gowland. Music for dancing was supplied by the Red Hill Ramblers.

Friday, November 8th, the Vinemount W.I. will serve a chicken supper in the W.I. Hall, following the 75th ploughing match to be held on the farm of Franklin Twedle, Tapletown, Wednesday, Nov. 6th.

Around The GRIMSBY High School

Social Department

One week ago today as everyone knows, was Hallowe'en. And a Hallowe'en which was spent by most of the students of Grimsby High in the school auditorium where was held one of the best Hallowe'en parties in the history of the school.

At 8:00 the scene was set. The auditorium walls were hung with skeletons, the lights dimmed and coloured with orange and black streamers, and the floor strewn at the edges with stalks of brown corn which took the place of chairs presented a perfect atmosphere.

By 9:00 it was packed with students, who came dressed in every kind of costume imaginable.

The party opened with an ear-splitting sing song which was led by Madeline Fogacher at the piano and Executive President Jewson at his megaphone.

After a few rousing songs which left everyone, including Pres. Jewson, too hoarse to sing, a parade was held to let the judges—Miss Adams, Mr. Merkle, and Mr. and Mrs. Branscombe pick the finest and most original costume. They chose four students from which they picked Don "Grandma" Catton and Jean Jarvis as winners. Don was dressed as an old lady in black, complete with lace shawl and spectacles. While the winner of the opposite sex, second former Jean Jarvis made a very realistic cowgirl.

Dancing followed except for a brief period around 10:30 when cider and doughnuts were served, and continued until 11:30.

Prizes were donated by Millard's and Dymond's Drug Stores and Bourne's Men's Wear for the best costumes and novelty dances. Incidentally there was much comment around the school before the dance to the effect that Thursday night wouldn't be the best night to hold the dance as some preferred Friday. However following the suggestion of the Board of Education the dance was held on Hallowe'en night and proved a great success. We think it was the better idea because there was an atmosphere of Hallowe'en present which wouldn't have been there if it had been held following Hallowe'en night; also the students were at the school and not on the streets from which the reader's own conclusions can be drawn.

Let's not forget the Sadie Hawkins Dance tomorrow night, girls. If you haven't grabbed yourself an eligible man as yet it's still not too late. We'll wager that there's plenty of able-bodied specimens still left unmolested. So don't be shy, girls, they won't put up much of a struggle, will we, Art.

Sports Department

Three Rugby games were played last week. Two bantam games and one senior game.

The bantam teams of Grimsby High won two games from Ridley College bantams by scores of 19-0 and 7-6.

Sparked by the kicking and passing of Alan Scrivener and the running of Zimmerman, Tokiwa and Clare the bantams proved themselves the better team as at home and a home game series with Ridley College.

In the one senior game last week Merritt H.S. beat Grimsby on Friday in a game which was closely played all the way. Merritt touchdowns were scored in the first and fourth periods with only one of them being converted. Two points were also scored by Merritt to make a total of 13 points.

Grimsby's only score was a 2 point safety touch by the Grimsby line. Final score 13-2.

Perhaps it was the late night on Hallowe'en, eh, men.

Future Games—Grimsby High School seniors meet Beamsville in a return game. Date to be announced later.

Special Feature Department—Joke of the Week:

On Hallowe'en night through the halls of G.H.S. stalked a strange figure. Girls screamed and ran and in wild confusion. Into the assembly hall strode the muscular man (we know he was muscular because he only wore a bathrobe and pajamas), and promptly four women fainted dead away. Merkle, all his glory stood Mr. flashing with his plaid bathrobe and his blond bush cut. Never mind, folks, next year he'll wear plaid basketball shorts. Ha, ha.

Here Are Twelve Good Reasons

There are twelve good reasons why a boy should become a scout which will be clearly placed before all parents who are interested in the character building of their sons. Some of the finest men now holding high appointments have passed through the ranks of the Cubs, Scouts and Rovers in their youth and many still take an active interest in the organization.

There is no doubt that a Scouts work has a definite character building force by the training in and practice of the Scout Promise and Law, but the full effect is only obtainable, in the majority of cases, where the parents are interested and directly or indirectly assist the Scout to carry out his duties. Special help can be rendered watching for punctuality, cleanliness of uniform and equipment, and by taking a general interest in the work of the boy.

The Scout Law and Promise should be made to apply at all times.

A folder giving Twelve Good Reasons why a boy should join the Scouts, information regarding the Scout Promise and Scout Law, uniform, equipment and particulars of the 1st Grimsby (Lions) Troop can be obtained by writing to "Boy Scouts", P.O. Box 32, Grimsby Beach or Phone Grimsby 42-W.

Boy Scouts

Parades—Sunday, November 10th (Decoration Day)

The Troop will parade at 2.30 p.m. at City Service Garage in full uniform, no staves. Patrol leaders to notify all uniformed members of their patrol.

Colour Party—Seconders Peter Phelps and Merritt Anderson.

Monday, Nov. 11 (Armistice Day)

The Troop will parade at the High School at 9 a.m. for a hike returning about 9 p.m.

Arrangements will be made for the following tests:

Staff or gadget (Tenderfoot). Salute and signs (Tenderfoot). Fire fighting and cooking (Second Class).

All Scouts will provide their lunch and drinking cup. Those taking the cooking test will provide the necessary meat, vegetables, etc., as called for in the test.

There will be no evening parade on Monday, Nov. 11th.

All members to watch this column each week for Scout orders, etc.

The King has authorized the issue of a royal certificate to Scouts who win the King's Scout Badge it was announced at the Boy Scouts Association meeting in London, England.

Major General D. C. Spry, C.B., D.S.O., Chief Executive Commissioner of Boy Scouts for Canada, has been honoured by the Government of Belgium with the award of Croix de Guerre with Palm and made a Commander of the Crown with Palm. General Spry was a member of the 2nd Calgary (Alberta) Cub Pack and at the age of twelve went up to the 2nd Calgary Troop, October 27th, 1927, he transferred to the 9th Halifax Troop. Between then and May, 1928, he passed his First Class Tests as well as 18 Proficiency Badge, King's Scout and All Round Cards. Then joined the Rover Crew, and became Senior Rover Mate. Scouts! This gives some idea of the experience of your Chief Executive Commissioner for Canada.

Utopia must be the place where scalpers never get control of the seats to a sell-out game.

When money talks, no one ever criticizes the kind of grammar it uses.

Obituary

BERTHA A. ADAMS

Miss Bertha A. Adams, Grimsby Beach, died on Sunday at the residence, Miss Adams was born in Toronto, and had been a resident of the Grimsby Beach district for the last 20 years. She was a dramatic artist and was a member of the Grimsby United Church, and a member of the Women's Improvement Society of Grimsby Beach. She was also a charter member, travelling with the Chautauquas. Surviving is a brother, A. E. Adams, of Ohio.

Funeral services were held from the J. B. Marlett Funeral Home, Hamilton, on Tuesday afternoon. Interment was in Queen's Lawn cemetery.

MRS. WILLIAM SCOTT

Mrs. Esther Josephine Besseau Scott, a descendant of some of the early settlers of Ontario died at the home of her daughter, Mrs. William S. Meeker, 92 Ottawa St. South, Hamilton, on Thursday afternoon after a long illness.

She was born at Uxbridge, Ontario, 76 years ago and had resided in Hamilton for the last 22 years. Her great grand-father came to

Canada in 1798 with the French Royalists under the leadership of the Count de Puisaye, who received grants of land at Oak Ridges in the Township of Whitchurch. On the maternal side, she is a descendant of General Sir Isaac Brock's grandmother.

She was a member of Delta United Church and belonged to the Women's Auxiliary and the Women's Missionary Society.

Her husband, William Scott, predeceased her 30 years ago.

Surviving are four daughters, Mrs. (Dr.) Leroy Henry, Grimsby, Mrs. Zuse Corbett, Dawson, Yukon, Mrs. William Armstrong Wells, B.C., and Mrs. William Meeker of Hamilton. Two sisters, Mrs. Herbert Hammond, Toronto, and Mrs. Richard Scott, Owen Sound, also three grandchildren.

Lady Barbers

Ever been shaved by a lady barber? Neither have I. It is claimed when feminine tonsorialists put their minds to it they make much better barbers than men. In England there are many feminine tonsorialists. The champion woman barber of Great Britain is one "Sis" Jones. She started in the trade at the age of nine and has been at it for 30 years. "Sis" gives a man a good shave in four minutes. The average male barber takes six minutes.

Streamlining A Wife

A husband who is about to embark on the task of streamlining his wife by means of compulsory diet and training, asks what the measurements should be of a woman 31 years of age who is five feet, seven and a half inches tall. "I don't want any of that hatpin silhouette stuff," says his husband. "I want my wife to have a nice figure, but still have something I can put my arms around with pleasure." According to the experts, a wife such as the one described should have these measurements: Bust 34 inches, waist 24 inches, hips 36 inches. Should weigh 136 pounds.

Household Hints

From hither and yon, our scouts have rallied to make your daily chores easier and we hasten to pass these suggestions along. . . . When pressing trousers, put a teaspoonful of sugar in a cup of water and sponge the creases with the solution. The creases will last longer. . . . When woolen things begin to shrink, add a little glycerine to the wash water. It will loosen up the knit and the garments may be stretched. . . . A few drops of glycerine will also get many a stuck stopper out of a bottle if allowed to penetrate for five minutes. . . . To repair holes in a linoleum, shred a cork with a safety razor blade, mix the shavings with glue, and jam the concoction into the worn spots. . . . and here is one we positively refuse to try because of a voracious appetite for hamburgers: If the soap chip scarcity has you down and you can get hold of some bar soap, put it through the food grinder. Ugh!

Problem In Etiquette

How to get rid of late-staying guests? The New York Post tackled this weighty matter the other day and, in wandering along Fifth Ave., the reporter on the job button-holed two young ladies from Windsor, Ontario. "How," he wanted to know, "do you succeed in tactfully speeding the departure of guests who are seemingly oblivious to yawns and stretching?"

One of Windsor's prides, Doris Muldoon, a telephone operator, replied that she used two of the old standbys most women employ: "I start to wind the clock and go into the kitchen to do the dishes," she said.

The other, Shirley Howard, said she took off her shoes and started to curl her hair. "Over the years it has never failed," she added.

But we know of one host who beats all. Comes midnight, this fellow rises from his chair and announces, "Twelve o'clock. Everybody out." He sometimes helps things along by opening the door, too. What's your system?

Open Evenings For Your Convenience

THE MIXING BOWL

By Ann Allan
HYDRO
HOME ECONOMIST

Hello, Homemakers! Actions must give vent to our feelings, spurring us on to live happily together. Happiness in the home is reflected throughout a community. And helping one another is one of the most unselfish ways of maintaining peace.

As captain of the household we suggest a few ways and means by which you can make home well-remembered.

1. Your next-door neighbor could possibly use an extra basket of fruit or vegetable which you may have in abundance. The old saying, "waste not, want not," should be a forethought.

2. That jar of sour cream or any other product which you do not use may be valuable to someone else. Phone your friends.

3. Before you become too tired to think during the busy week ahead consider where you have been losing energy and time. Let things go-by-the-board until you have readjusted your work. It may be that you require a basket to hold all the cleaning equipment for the upstairs work—and there should be one around at this season. It may be that your kitchen table is too low and causes you to stoop. This can be remedied with heavy castors which should be noted on your shopping list. One could write down many "wants" but little things do help.

4. Create a beauty spot in your living room with pieces of shrub or evergreen.

5. One of the best amusements for children on a rainy day is showing them how to make their own story book using scissors, paste pot and old magazines.

6. During the busy summer you did not have time to read. Now is the time to devote a little while every day to this pleasure.

7. Store materials separately. summer wool sweaters must not be wrapped with rayon fabrics. And according to research, the best method is to place garments in a bag or box so that they will be protected from the light and dust without making the bag or box airtight.

8. Initials on your belongings will solve a problem if you are taking laundry over to put in with mother's, or the neighbour's.

9. Do not depend upon poor light when you are doing close work. Leading authorities agree that inadequate lighting can cause fatigue and eye strain.

DOUBLE QUICK YEAST ROLLS

1/2 cake fresh compressed yeast, 1/2 cup lukewarm milk, 1 egg beaten, 2 1/2 cups prepared packaged biscuit mix, melted butter or shortening.

Dissolve yeast in lukewarm milk. Add beaten egg. Put prepared biscuit mix in bowl and add

liquid. Mix well. Turn out on floured board, knead gently. With floured rolling pin roll out 1/4 inch thick. Cut out with 2 1/2-inch biscuit cutter. Brush each with melted butter or shortening. Using blunt side of knife, put crease in rounds to one side of the centre. Fold over so top slightly overlaps. Press together at ends of crease. Place on greased baking sheet about 1/4 inch apart. Cover with damp cloth. Put in a warm place (about 82 degs.) and let rise until light. (1 1/2 to 2 hours).

Bake 10 to 12 mins. at 375 degs. in electric oven.

Yield: 16 Parkerhouse rolls.

GINGERBREAD

1/2 cup butter, 1/2 cup sugar, 1 egg (beaten), 1/2 cup molasses, 1/2 cup sour milk, 1 1/2 cup flour, 1 tsp. cloves, 1/2 tsp. soda, 2 tps. cinnamon, 1 tsp. ginger, 1/2 tsp. salt, 1/2 tsp. baking powder.

Cream butter and add sugar. Add beaten egg and molasses and beat together for 1 min. Sift together the dry ingredients and add alternately with sour milk. Pour into a greased and floured loaf pan and bake in an electric oven of 350 degs. for 40 mins.

One more can be one too many

Even Hydro cannot always find immediate room for one more consumer.

Present demands for Hydro power taxes existing facilities to the utmost. This is due to ever-increasing use of low-cost Hydro service plus necessarily restricted Hydro construction during and since the war. Shortage of materials and equipment makes it impossible to speedily accomplish expansion long since planned.

Lines and transformers now serving any one district can carry just so much power. Wherever that capacity is being completely used by present consumers, addition of new customers could be made only at the expense of service to the old, until new materials for extensions are obtainable. This condition applies in city, town and country. Everything possible is being done to overcome it. New equipment is being installed as fast as it becomes available. Your Hydro Commission trusts and believes you will recognize the facts; and assist, by your patient co-operation, in the orderly restoration of the prompt service that your Hydro always strives to maintain.

In the meantime, let your Hydro know as early as possible of any planned substantial increase in your power needs, and use this low-cost servant wisely.

and is not even treated as part of
the relief fund. It is rather con-
sidered as a trust fund which the Le-
gion administers for the benefit of
all ex-service men and women. In
granting relief, members of the
Legion receive no special prefer-
ence, but all veterans stand on an
equal footing. Any man who has
served and is in legitimate need
may benefit from this fund.

The poppies and wreaths which
you will be asked to buy are made
by disabled veterans. These men
are absolutely incapable of earning
a living in any other way, and but
for this industry would be a charge
on the public funds. If Poppy Day
did nothing but keep these men
self-supporting and self-respect-
ing citizens it would still be
worthwhile.

The organization of Poppy Day,
by the sale of poppies and wreaths,
the handling of monies collected,
the investigation and relief of all
applicants, are done by voluntary
workers. No man or woman con-
nected in any way with this re-
ceives one cent as wages, salary,
bonus, commission or any other
form of remuneration. All monies
collected are placed in a special
account which is controlled by a
board of Trustees of this branch.
Every expenditure made is approved
and every account checked by
Board. Every applicant for relief
is investigated carefully but sym-
pathetically. Relief may take the
form of food, clothing, fuel, rent
or medical assistance. It is practi-
cally never issued in cash.

The blood red poppy is called the
Flower of Remembrance because
it grows in great numbers on the
shattered and torn battlefields of
France and Flanders. It covered
the first rough graves of our sol-
dier dead. The Flanders poppy is a
sacred emblem. A symbol or sign
that we remember Canada helped
to keep safe the things we value—
justice, liberty, and the faith that
right must triumph over might.

At a time like this one does well
to remember the quotation, "Great-
er love hath no man than this, that
a man lay down his life for his
friends."

And so to show that you have
not forgotten, may we urge that
you buy a poppy and wear it
proudly.

The Department of Agriculture
at Ottawa was requested to lift
the ban on red leno coverings at

The council directed that the re-

In the same resolution the coun-
cil expressed its appreciation to the

ONTARIO FRUIT
noted an apple crop estimate of 424,000 barrels, peaches 1,428,460 bushels, plums and prunes, 181,145 bushels; grape 31450 ton. Peaches show promise of a 57 per cent increase from last year, 26 per cent over the five-year average. Plums are up 17 per cent and grapes 14.

In Eastern Ontario the fruit situation is also good, with apples and pears leading the list. A total yield of 202,000 bushels is expected, a drop of 30 per cent from the five year, 1940-44 average, but still better than earlier estimates. Pears, although good, are 20 per cent below the average.

Dry weather and insect raids have left their mark on Western Ontario vegetables and frost damage, although not yet estimated, is expected to be fairly heavy. Farmers are worried, too, by the lack of turnip and potato bugs. Potatoes are reported good in Eastern Ontario, with an average yield of five tons per acre.

Good tomato crops have been reported from the western section of the province and processing is almost completed. Quality of the crop is good, as it has been in the eastern sections.

COUNTY COUNCIL
easterly entrance of Port Dalhousie to the Road Committee. The matter will be studied by the committee and authorization was granted to consult the solicitor regarding responsibility and construction of the roads and bridges in question.

During the meeting of the Patriotic Committee under the chairmanship of Deputy-Reeve A. J. Wilson of Merriton, Warden Ro-

bert M. Johnston and Reeve Cecil Secord of Grantham reported to council regarding a meeting which they had with His Worship Mayor W. J. Macdonald of St. Catharines and members of the city council on veterans' affairs. The matter of continuing the services of the Lincoln County Citizens' Committee in aid of the returned veterans was left by council in the hands of Deputy-Reeve Wilson, Warden Johnston and Reeve Secord to report back to council.

Prior to adjournment, council passed two by-laws, one to amend the present by-law licensing junk yards, shops, second-hand shops and dealers substituting the word "salvage" for the word "junk." The second by-law confirmed a by-law passed by North Grimsby township to close up a portion of road allowance north of the second concession in North Grimsby township.

THERE ARE TOO

The action was taken following the hearing of a deputation from the Ratepayers' Association of the district headed by Roy V. Winingier, president of the association. The four-man delegation informed council that there was some objection to the name "Lakeside" which had been chosen for the new village and that another public meeting was to be held to discuss the question.

Council also decided to refer the matter back to the ratepayers of Corbett's Park for the choosing of a more suitable name when Post Office officials informed county officials that there were already four municipalities in Canada bearing the name "Lakeside." One is situated in Oxford county in Ontario midway between Woodstock and St. Mary's, one in Quebec, one in New Brunswick and the fourth in Nova Scotia near Dartmouth. The county council advanced the opinion that an additional locality by the name of Lakeside would be confusing and detrimental to the owners and tenants in the locality.

On the occasion of his Honor Judge J. G. S. Stanbury, K.C., celebrating the tenth anniversary of his coming to St. Catharines, warm congratulations were extended to him by the members of the county

council. Speaking on behalf of the council Reeve Cecil Secord of Grantham Township termed Judge Stanbury "a great friend of county councils" and tendered to him, in the name of the council, their best wishes for his Honor's future health and happiness.

GRIMSBY BOY IS

who has equalled your skill." Twice Phipps has made the Blisley team, but he never went over to compete. During the First Great War when he served with the 47th Battalion, he was sent from France to compete at Aldershot with an Allied team and was top scorer in the competition.

While he was at Ordnance, he was in charge of a security guard which used to escort radar equipment to the east coast. Arms were light machine guns, rifles and revolvers, and it was Mr. Phipps' job to teach those who were not proficient with the revolver to become expert. They trained at Long Branch and when he had finished with them, they were expert revolver shots.

Shooting is his hobby, and he started when he was a little tot. His grandfather was a first-class shot, and he taught his grandson all the tricks.

He is out of the army now—got out last week, and he feels lost without his beloved rifles and revolvers. He is used to taking the weapons apart and re-assembling them, and knows every little part. He is going to miss them, unless, as he hopes, he gets a job where he can tinker with them.

SQMS Phipps is a native of Grimsby, having been born and raised here, the eldest son of Mrs. Elora Phipps of Grimsby Beach and the late Albert E. Phipps. Mrs. Clyde Alway and Mrs. Ken Nelson of Grimsby Beach are sisters.

Community Hall May Ban Dances

At the meeting of the Beamsville Board of Education on Friday, the secretary was instructed to notify organizations holding dances in the community hall, that in future such affairs must be conducted in an orderly manner and that characters who attend these affairs with the sole idea of making a nuisance of themselves and annoying to people who go out for a pleasant evening, are prohibited from the premises.

Such organizations will be told that unless such measures are taken, no more permits for dances will be given.

Would Build New Highway On Piers

(Burlington Gazette)

A four-lane highway to be built on piers over the water of Burlington Bay has been planned by the department of Highways to eliminate the bottleneck through the four-mile stretch of Burlington Beach. J. D. Millar, deputy minister of highways, says that no time has been set to start the project, but it is hoped that the department will start when Burlington Bay is being dredged and the entrance to the harbor is widened by the federal department of navigation. This work also is some time in the future.

"If we were to both start at once, it would kill two birds with one stone," said Mr. Millar. "The dirt from the dredging and widening could be used to anchor piers to the proposed new highway."

According to plans of the new highway, drawn by engineers several years ago, the road will link with the Queen Elizabeth Way, and cut off from heavy traffic the narrow two-lane Burlington Beach road, which at present is a bottleneck in the Toronto-Niagara Beach highway. The Burlington Beach road will not be torn up but will be used by residents as a local road, said Mr. Millar.

Noted Naturalist Coming To Town

Everyone who has heard Stuart L. Thompson, either personally or on the radio is eagerly awaiting his visit to Grimsby and we are sure that he will be greeted with capacity houses when he appears at the High School Auditorium on the afternoon and evening of Friday, November 15th.

Mr. Thompson, who is Canada's outstanding naturalist is being brought to Grimsby by the Lions Club.

He is a successful business man blessed with a fine hobby which he has been following for years. He has lectured throughout Ontario and Montreal, conducted courses at Summer Camps and Toronto University Extension. He writes. He speaks on the radio and has prepared a special series for the CBC Overseas Broadcast to be released in Britain in January.

His nature talks will be illustrated with colored slides and his programmes as a whole are very instructive and interesting.

Destruction Rife Along Highways

Deliberate damage to highway department road signs, particularly those of the reflector button type, continues unabated despite every effort of police and road maintenance crews to check it.

While all district highways seem to be affected, damage is heaviest along the four-lane Queen Elizabeth Way. When a few months ago, all signs between Burlington and Niagara Falls were repaired, it was found necessary to put in nearly 7,000 of the reflector buttons. A survey made a few days ago shows that over 3,000 have since been smashed or removed.

On some of the other main travel arteries, such as highways 2, 6 and 20, several metal signs have

Mr. and Mrs. Michael Tomasso have sold their fine home and small acreage of fruit land at 91 Livingston avenue to Mr. and Mrs. Bossey, North Grimsby.

been completely ruined by rifle or revolver fire.

Thefts are also causing the department officials a lot of worry. For instance, several picnic tables placed along the Q.E.W. for the convenience of the touring public have been stolen and two steel drum incinerators have disappeared from Jordan Harbour park after a few days' use.
